

Commercial Pool Membranes

Professional-grade waterproofing.
Designed and manufactured in the
United States.

High-performance single and multi-ply waterproofing membranes engineered for chemical and elemental resilience. Waterproof Warrior membranes deliver enhanced visual appeal while meeting demanding outdoor technical requirements for new-build and renovated pool and deck surfaces.

Performance Benefits

- High chemical resistance
- Cutting-edge pigments resist UV damage
- Engineered for flexibility and stability in temperature extremes
- Formulated with anti-microbial ingredients to prevent staining and bacterial growth
- 1500 hours UV with no cracking
- Mildew resistant – No growth
- Pink stain resistant – No stain
- Thickness tolerance: Target gauge $\pm 5\%$

Applications

Commercial Pools
Hotel & Resort Pools
Community & Fitness Centers
Renovation & Retrofit Projects
Pool Decking Systems

Properties

Construction Options:
1-Ply, 2-Ply, 3-Ply & 4-Ply
Reinforced Membranes
Widths: 1.83 m – 2.06 m
Length: 25 m

The i2M Promise

1. American-Made Agility
2. Integrated Advantage
3. Performance Partnership
