

# Heavy Duty Films

Protect every environment with high-endurance films built for performance.

Discover the ultimate solution for demanding industrial and commercial applications with our high-performance heavy-duty films, expertly engineered for roofing, waterproofing, truck mats, tunnel liners, and more. Designed to withstand harsh environments, extreme temperatures, chemicals, and UV exposure, these purpose-driven polymers deliver long-lasting durability, customizable performance, and reliable processing for efficient fabrication and installation.

## Properties

---

Colors: Custom Matched

Widths: 20" - 80"

Gauges: .020" - .110"

Finishes: Matte & Textured

Finished Rolls: 5FT - 1200FT

Formulation options:

UV Resistant, Anti-Microbial, Fire/Smoke Retardant, Chemical Resistant, Cold Temp Performance.

## Applications

---

Roofing, Waterproofing,  
Truck Mat, Tunnel Liner

## Available 3rd-Party Certifications:

---

UL, IAPMO, FM, CCMC,  
CAN, CGSB,  
GREENGARD, GREEN  
CIRCLE, SCS GLOBAL.

### The i2M Promise

1. American-Made Agility
2. Integrated Advantage
3. Performance Partnership
